Subscription prices will be displayed to you at the time of purchase. You will be billed for the same subscription plan at the then-current monthly or annual subscription price plus any applicable taxes. Your payments will be processed for any renewal subscription using the same billing cycle as your current subscription. In other words, if your payment is processed for your current subscription on the 20th of each month, then your payment will continue to be processed on that day for any renewal subscription. Additional terms and conditions may apply upon renewal, and subscription fees may change at any time, to the fullest extent permitted under applicable law, we will give you a reasonable notice by posting the new price on the app, and/or sending you an in-app notification or email, if you do not accept the new price or the change thereof, you can cancel the subscription prior the change going into effect. Without limiting Section 11, Mureka will have no liability to you whatsoever for any refunds in connection with subscriptions, except when required by the applicable law.

(b) Changes to this Agreement. You understand and agree that we may change this Agreement at any time without prior notice; provided that we will endeavor to provide you with prior notice of any material changes that may apply to you, including through the posting of a revised Agreement that you may be required to accept in order to continue using the Service. You may read a current, effective copy of this Agreement at any time by selecting the appropriate link on the Service. The revised Agreement will become effective at the time of posting unless specified otherwise. Any use of the Service after the effective date will constitute your acceptance of such revised Agreement. If you find any change to this Agreement or the Service unacceptable, then your sole remedy is to stop accessing, browsing and otherwise using the Service. The terms of this Agreement will govern any updates Mureka provides to you that replace and/or supplement any portion of the Service, unless the upgrade is accompanied by a separate license or revised Agreement, in which case the terms of that license or revised Agreement will govern. Notwithstanding the preceding sentences of this Section 1(b), no revisions to this Agreement will apply to any dispute between you and Mureka that arose prior to the effective date of such revision.

(c) Privacy Policy. Your access to and use of the Service is also subject to Mureka's Privacy Policy, the terms and conditions of which are incorporated herein by reference.

2. Registration and Accounts

(a) Log-In Credentials. While you may always browse the public-facing portions of the Service without registering with us, in order to enjoy the full benefits of the Service, including serving as a Creator, you must register an account with us (an "**Account**"). To make it easier to use Mureka, you may also choose to register and login to Mureka through your account on a third-party platform (e.g., Apple, Google). In this way, we will create an Account connected to your third-party platform account.

(b) Account Security. You are responsible for the security of your Account, and are fully responsible for all activities that occur through the use of your credentials. You agree to notify Mureka immediately via the contact information in Section 16 if you suspect or know of any unauthorized use of your log-in credentials or any other breach of security with respect to your Account. Mureka will not be liable for any loss or damage arising from unauthorized use of your credentials prior to you notifying Mureka of such unauthorized use or loss of your credentials. Separate log-in credentials may be required to access External Sites (defined in Section 6 below).

(c) Accuracy of Information. When creating an Account, you will provide true, accurate, current and complete information as Mureka requests. You will update the information about yourself promptly, and as necessary, to keep it current and accurate. We reserve the right to disallow, cancel, remove or reassign certain usernames and permalinks in appropriate circumstances, as determined by us in our sole discretion, and may, with or without prior notice, suspend or terminate your Account if activities occur on your Account which, in our sole discretion, would or might constitute a violation of this Agreement, cause damage to or impair the Service, infringe or violate any third party rights, damage or bring into disrepute the reputation of Mureka, or violate any applicable laws or regulations. If messages sent to the e-mail address you provide are returned as undeliverable, then Mureka will confirm with you before terminating and deleting your Account connected to this e-mail address. If you provide confirmation, we may terminate your Account immediately without any liability to you or any third party.

3. Intellectual Property Rights

(a) License. Subject to your complete and ongoing compliance with this Agreement, Mureka hereby grants you a revocable, non-exclusive, non-transferable, non-sublicensable, worldwide right and license to access and use the Service solely for your personal, non-commercial use and solely in strict compliance with the provisions of this Agreement.

(b) Service Content. Except for User Content, the content that Mureka provides to Users on or through the Service, including without limitation, any text, graphics, photos, software and interactive features, may be protected by copyright or other intellectual property rights and owned by Mureka or its third party licensors (collectively, the "**Mureka Content**"). Moreover, Mureka solely owns all design rights, databases and compilation and other intellectual property rights in and to the Service, in each case whether registered or unregistered, and any related goodwill.

(c) Marks. Mureka trademarks, service marks and logos (the "**Mureka Trademarks**") used and displayed on the Service are Mureka's registered and unregistered trademarks or service marks. Other product and service names located on the Service may be trademarks or service marks owned by third parties (the "**Third-Party Trademarks**," and, collectively with Mureka Trademarks, the "**Trademarks**"). Except as otherwise permitted by law, you may not use the Trademarks to disparage Mureka or the applicable third-party, Mureka's or a third-party's products or services, or in any manner (using commercially reasonable judgment) that may damage any goodwill in the Trademarks. You may not use any Trademarks as part of a link to or from any Service without Mureka's prior express written consent. All goodwill generated from the use of any Mureka Trademark will inure solely to Mureka's benefit.

(d) Restrictions. Mureka hereby reserves all rights not expressly granted to you in this Section. Accordingly, nothing in this Agreement or on the Service will be construed as granting to you, by implication, estoppel or otherwise, any additional license rights in and to the Service or any Mureka Content or Trademarks located or displayed therein.

(e) Output. If you are a user who has purchased credits or subscribed to the paid tier of the service, the ownership, title and interest in and to the AI music and other audio content generated by mureka (the "**Output**") based on your instruction and the user content you provide, including, without limitation, all intellectual property rights (if any) contained therein, belong to you. If you are a user of the free tier of the service, mureka owns all rights, title and interest in and to the Output made by you through the service, and, subject to your compliance with this agreement, mureka grants you a license to use such Output solely for your lawful, internal, and non-commercial purposes, provided that you give attribution credit to mureka in each case.

You acknowledge and agree that you grant mureka an unrestricted, assignable, sublicensable, irrevocable, royalty-free license throughout the universe to reproduce, distribute, publicly display, communicate to the public, make available, create derivative works from, retransmit from external sites, and otherwise exploit or use (collectively,

"Use") all or any part of all your Output through the service, by any means and formats now known or hereafter developed, for any purposes of, including, without limitation, (i) making user content available to other users of the service for their listening, distributing, or other uses explicitly permitted by the service, if and when you choose to publish such content; (ii) commercial use.

You further grant mureka a royalty-free license to use your username, image, voice and likeness (if applicable) to identify you as the source of any of your Output. And you agree to comply with all applicable laws and platform policies to disclose, mark or label when any Output is AI-generated.

For the avoidance of doubt, the rights granted in the preceding sentences of this section include, but are not limited to, the right to reproduce sound recordings (and make mechanical reproductions of the musical works embodied in such sound recordings) and publicly perform and communicate to the public sound recordings (and the musical works embodied therein), all on a royalty-free basis. This means that you are granting mureka the right to use your Output without the obligation to pay royalties to any third party.

(f) Due to the nature and the characteristics of artificial intelligence and machine learning, the Output you created may have certain similarities with the other music work created by other users on mureka, i.e., mureka does not guarantee the uniqueness of the Output you gained.

(g) You shall pay special attention to and fully aware of the fact that, due to the particularity and complexity of aigc and the uncertainty of copyright law, mureka does not guarantee that your Output by using mureka can be used for copyright registration. You acknowledge and voluntarily undertake all the risks that may arise from such legal risks (e.g., the inability to register copyrights, etc.) and the subsequent unfavorable changes in laws and regulations.

4. User Content

(a) Rights to User Content. "**User Content**" means any recordings, audio files, video files, texts, voice data, music, images, other content or materials you upload, post, generate through, or otherwise provide (collectively, "**Generate**" and its grammatical variations) to the Service. You represent and warrant that you own all right, title and interest in and to such User Content, including, without limitation, all copyrights and rights of publicity/personality rights contained therein, or are otherwise permitted to use them for the applicable purposes, for example by license or legal exception or limitation. As a condition of your access to and use of the Service, you agree not to use your User Content to infringe on any intellectual property rights, publicity rights/personality rights, or any other legal rights. We reserve the rights, with or without notice, at any time and in our sole discretion, to take down, block access to and/or terminate your User Content and/or your account which infringes or is alleged to infringe any intellectual property right, publicity rights/personality rights, or any other legal rights. all necessary rights, permissions, and authorizations to use such User Content and grant the license set forth in this Agreement; (ii) your Generating and Use of your User Content on or through the Service does not violate the privacy rights, publicity rights, personality rights, copyrights, contract rights, intellectual property rights, or any other rights of any person, including, but not limited to, the rights of any person visible in any of your User Content; (iii) Generating your User Content on the Service will not require us to obtain any further licenses from or pay any royalties, fees, compensation or other amounts or provide any attribution to any third parties; and (iv) Generating your User Content on the Service does not result in a breach of contract between you and a third party. You agree to pay all monies owing to any person as a result of Generating your User Content on the Service. Subject to the provisions regarding the ownership of Output and Mureka Content under these Terms of Service, and any third-party rights in any preexisting content included within your User Content, including Mureka Content, you retain ownership of any rights you may have in your User Content, and Generating your User Content to the Service does not transfer ownership of your rights and will not eliminate you as the copyright owner.

(b) Licenses to User Content. By Generating User Content on or through the Service, you hereby grant Mureka an unrestricted, assignable, sublicensable, revocable, royalty-free license throughout the universe to Use all or any part of all User Content you Generate to or through the Service, by any means and through any media and formats now known or hereafter developed, for the purposes of, including, without limitation, (i) advertising, marketing and promoting Mureka and the Service; (ii) making User Content available to other Users of the Service for their listening, distributing, or other uses explicitly permitted by the Service, if and when you choose to publish such content; (iii) providing the Service as authorized by this Agreement and (iv) other commercial use (if any). You further grant Mureka a royalty-free license to use your username, image, voice and likeness (if applicable) to identify you as the source of any of your User Content. You must not Generate any User Content on or through the Service or transmit to Mureka, any User Content that you consider to be confidential or proprietary. Any User Content Generated by you to or through the Service or transmitted to Mureka will be considered non-confidential and non-proprietary, and treated as such by Mureka, and may be used by Mureka in accordance with this Agreement without notice to you and without any liability to Mureka. For the avoidance of doubt, the rights granted in the preceding sentences of this Section include, but are not limited to, the right to reproduce sound recordings (and make mechanical reproductions of the musical works embodied in such sound recordings) and publicly perform and communicate to the public sound recordings (and the musical works embodied therein), all on a royalty-free basis. This means that you are granting Mureka the right to use your User Content without the obligation to pay royalties to any third party.

(c) Through-To-The-Audience Rights. All of the rights you grant in this Agreement are provided on a through-to-the-audience basis, meaning the owners or operators of External Sites will not have any separate liability to you or any other third party for User

Content Generated or Used on such External Sites via the Service.

(d) Waiver of Rights to User Content. By Generating User Content to or through the Service, you waive any rights to prior inspection or approval of any marketing or promotional materials related to such User Content. You also waive any and all rights of privacy, publicity or any other rights of a similar nature in connection with your User Content, or any portion thereof. To the extent any moral rights are not transferable or assignable, you hereby waive and agree never to assert any and all moral rights, or to support, maintain or permit any action based on any moral rights that you may have in or with respect to any User Content you Generate to or through the Service.

(e) Screening User Content. Mureka offers Users the ability to Generate User Content to or transmit through the Service. Mureka does not pre-screen any User Content, but reserves the right, with or without notice, to remove, disallow, block or delete any User Content in its sole discretion and at any time. In addition, we have the right - but not the obligation - in our sole discretion and at any time, with or without notice, to remove, disallow, block or delete any User Content (i) that we consider to violate this Agreement, applicable law or otherwise constitute Objectionable Content; or (ii) in response to complaints from other Users or licensors of any Mureka Content or any governmental authorities, with or without notice and without any liability to you. Without limiting the preceding sentences of this Section, Mureka also has the right - but not the obligation - to take remedial action in connection with any Objectionable Content Generated on the Service as described more fully in Section 4(f) below. Mureka does not guarantee the accuracy, integrity, appropriateness, availability or quality of any User Content, and under no circumstances will Mureka be liable in any way for any User Content, where permissible under applicable laws and regulations.

(f) Objectionable Content. You are not permitted to and agree not to Generate any User Content to the Service that is or could be interpreted to be (i) abusive, bullying, defamatory, harassing, harmful, hateful, inaccurate, infringing, libelous, objectionable, obscene, offensive, pornographic, shocking, threatening, fraudulent, unlawful, violent, vulgar, pedophilic, invasive of another's privacy including bodily privacy, insulting or harassing on the basis of gender, libelous, racially or ethnically objectionable, relating or encouraging money laundering or gambling, or otherwise inconsistent with or contrary to the applicable laws in force; (ii) promoting any product, good or service, or bigotry, discrimination, hatred, intolerance, racism or inciting violence (including suicide); (iii) belonging to another person over which you do not have any right; (iv) harming minors in any way; (v) deceiving or misleading the addressee or recipient of such information about the origin of such information; (vi) threatening the unity, integrity, defense, security or sovereignty of any country, friendly relations with foreign states, or public order or causes incitement to the commission of any cognizable offence or prevents investigation of any offence or is insulting other nation. Generating any Objectionable Content may subject you to third party claims and none of the rights granted to you in this Agreement may be raised as a defense against any third party claims arising from your Generating Objectionable Content. You also agree not to use the Service for illegal or unlawful purposes, including, without limitation, to impersonate others to commit fraud, to stalk any other User or to encourage any User to harm himself or herself or any other person. If you encounter any Objectionable Content on the Service, then please immediately email Mureka via the information in Section 16 "Contact us" or inform us through the functionality offered on the Service. You acknowledge and agree that Mureka provides you with the ability to report Objectionable Content as a courtesy, and Mureka has no obligation to remove or take any other action with respect to any Objectionable Content on the Service that you report to us. However, Mureka in its sole discretion may take any actions it deems necessary and/or appropriate against any User who Generate Objectionable Content on the Service, including, but not limited to, warning the User, suspending or terminating the User's Account, removing all of the User's User Content Generated on the Service and/or reporting the User to law enforcement authorities, either directly or indirectly.

A party submitting a Counter Notification should consult a lawyer to confirm the party's obligations to provide a valid counter notification under the applicable copyright laws.

(g) Reposting of Content Subject to a Counter Notification. If you submit a Counter Notification to Mureka in response to a Notification of Claimed Infringement, then Mureka will promptly provide the person who provided the Notification of Claimed Infringement with a copy of your Counter Notification and inform that person that Mureka will replace the removed User Content or Feedback or cease disabling access to it in 10 business days, and Mureka will replace the removed User Content or Feedback and cease disabling access to it not less than 10, nor more than 14, business days following receipt of the Counter Notification, unless Mureka's Designated Agent receives notice from the party that submitted the Notification of Claimed Infringement that such person has filed an action seeking a court order to restrain the User from engaging in infringing activity relating to the material on Mureka's system or network.

(h) False Notifications of Claimed Infringement or Counter Notifications. Credits can only be used in connection with the Service as permitted by Mureka and you may view your balance of Credits at any time in your personal profile. Once redeemed for consumption, Credits will be deducted from your account balance and cannot be used again. In the event of any dispute, Mureka shall have the final determination over the calculation of your Credits account balance. Mureka may make certain features or functionality of the Service available that allow or require the redemption of Credits, and may in its sole discretion modify or discontinue any applicable features or functionality or otherwise change the manner in which Credits may be redeemed. The cost to purchase Credits is determined

by Mureka in its sole discretion, including any discounts or promotions, and may be changed at any time. You agree that Mureka has the absolute right to reduce, manage, regulate, control, modify and/or eliminate the Credits as it sees fit in its sole discretion, and that Mureka will have no liability to you based on its exercise of these rights. Notwithstanding any language to the contrary contained in the Website or any other terminology used by Mureka, Credits have no monetary or "real world" value and can only be used with the Service. Credits may not be redeemed or exchanged for "real" currency or any legal tender out of the Service. Mureka reserves the right to revoke the licenses to them, at any time without notice.

(b) Limitations. You agree to pay all fees and applicable taxes incurred by you or anyone using an Account registered to you in connection with the Credits. Unless authorized in the Service, Mureka prohibits and does not recognize any other sale, gift, assignment, transfer or trade in the "real world" of any Credits to any third party under any circumstances whatsoever (including, without limitation, by operation of law) unless Mureka expressly pre-approves the applicable event in writing. Credits are solely for your personal, non-commercial use and may not be copied, exported, scraped or otherwise transferred to use on any other platform, service or for any other use. Failure to comply with this Section constitutes a material breach of the Agreement and may result in the termination of your ability to access the Service. Mureka may revise the pricing for Credits, or any other items offered through the Services, at any time. If your Account is terminated for any reason, including due to a violation of our Agreement, then your license to any Credits will automatically terminate and you will lose access to applicable Credits permanently. If Mureka reasonably suspects that you are engaging in any fraudulent or unlawful behavior in connection with any Credits, Mureka reserves the right to restrict your access to and use of Credits or the Service. If you violate this Section, then other than the termination rights already mentioned, Mureka may, in its sole discretion also pursue any and all remedies that it deems advisable and hold you liable for any and all damages, expenses, or other losses that Mureka incurs in connection with the violation.

You acknowledge that you have no ownership or other property interest in the Credits, and that you will not receive money or other compensation for unused Credits when an Account is closed or terminated, whether the applicable closure was voluntary or involuntary.

(c) The Service and all content thereon are provided on an "as is" and "as available" basis without any warranties of any kind. Accordingly, the Mureka Parties disclaim all warranties, including, but not limited to, the warranties of title, merchantability, non-infringement of third parties rights and fitness for particular purpose.

(d) In no event will any Mureka party be liable for any special, indirect, punitive, incidental or consequential damages, lost profits or damages resulting from lost data or business interruption resulting from, or in connection with, the use or inability to use the Service and any content thereon, whether based on warranty, contract, tort (including negligence), or any other legal theory, even if such Mureka Party has been advised of the possibility of such damages. Mureka's liability, and the liability of any other Mureka Parties, to you or any third parties in any circumstance is limited to the greater of the fees you have paid us for any credits and U.S. \$100.

(e) You specifically acknowledge that Mureka shall not be liable for content or the defamatory, offensive, or illegal conduct of any third party and that the risk of harm or damage from the foregoing rests entirely with you.

Notwithstanding the above terms, if you are a consumer in the EEA, your local consumer laws may provide you with a legal guarantee covering the Platform and/or the Service. Under this guarantee, we are liable for any lack of conformity you discover within two (2) years of the supply of Credits, Subscriptions and any other paid products and services on Mureka. Your national laws may provide an even longer guarantee. You can make a guarantee claim by contacting us via email as stated in Section 16.

in any way connected with such disputes.

12. Indemnification

To the fullest extent permitted by law, you agree to defend, indemnify and hold harmless the Mureka Parties from and against any claims, actions or demands, including, without limitation, reasonable legal and accounting fees, arising or resulting from (a) your breach of this Agreement; (b) your access to, use or misuse of Mureka Content or the Service; or (c) your User Content. Mureka will provide notice to you of any such claim, suit or proceeding. Mureka reserves the right to assume the exclusive defense and control of any matter which is subject to indemnification under this Section if Mureka believes that you are unwilling or incapable of defending Mureka's interests. In such case, you agree to cooperate with any reasonable requests assisting Mureka's defense of such matter at your expense.

If you wish to delete any of your User Content from the Service, then you may be able to do so using the permitted functionalities of the Website, but the removal or deletion of such User Content will not terminate this Agreement. Mureka reserves the right, in its sole discretion, to restrict, suspend or terminate this Agreement and your access to all or any part of the Service at any time without prior notice or liability if you breach any provision of this Agreement or violate the rights of any third party copyright owner of musical works or sound recordings. Mureka may further terminate this Agreement immediately for any other reason with or without notice to you, using the email address associated with your account credentials. Mureka reserves the right to change, suspend or discontinue all or any part of the Service at any time without prior notice or liability.
